NARRATIVE:

Stamper is a documented gang member and multi-state offender. His extensive adult criminal history began at the age of 21. His convictions include attempted murder, grand larceny, manufacturing/possessing dangerous weapons, burglary, grand larceny, controlled substance paraphernalia, theft, and violation of parole supervision. He has served multiple state prison terms the longest a twenty five (25) year term for attempted murder. Stamper was released from state prison to the supervision of the Los Angeles County Probation Department on April 24th, 2013. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in January 2014 after he absconded from post release community supervision (PRCS). Stamper qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for manufacturing/possession dangerous weapons is defined as non-serious and non-violent under the California penal code. His criminal history, gang member status, as well as his current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
